LB 396, 263

doesn't mean anything when you have stood on this floor and gotten millions of dollars for your pet projects and we supported them. Shame on you, and as far as I am concerned that is enough not to advance 396 because a hundred bucks to the people in Omaha and a hundred bucks to the people in Lincoln, the man who does not have representation out there in the rotunda, it is a lot of money to him so I ask you not to vote for the advancement of 396. Thank you.

SENATOR BEUTLER: There being no further lectures, Senator Carsten, it is time to move the advancement of the bill.

SENATOR CARSTEN: Mr. President and members of the body, I would move to advance 396 to E & R engrossing.

SENATOR BEUTLER: The motion is to advance LB 396 to E & R final. All those in favor vote aye, opposed nay.

CLERK: Senator Beutler voting yes.

SENATOR BEUTLER: Please vote. Please vote. Please vote on the motion to advance. Last call for voting. Senator Carsten.

SENATOR CARSTEN: Mr. President, I am going to ask for a Call of the House and a roll call vote please.

SENATOR BEUTLER: Senator Carsten, that won't be necessary. The vote count reached 25 before you finished your motion so I would ask you to record the vote, Mr. Clerk.

CLERK: 25 ayes, 12 nays, Mr. President.

SENATOR BEUTLER: Record vote requested.

CLERK: (Read record vote as found on page 1518 of the Legislative Journal.) 25 ayes, 12 nays, Mr. President.
